

Valley County Health System

Durable Medical Equipment Mission

Statement:

"It is our mission to be a leader in our field and to provide quality home care equipment, medical supplies and services."

Striving to bring wellness to you

at home.

Everyday life is full of small tasks which most of us take for granted. For many people, every button to be done, jar to be opened or note to be written is a major challenge.

The Durable Medical Equipment Department at Valley County Health System offers a wide range of medical equipment and supplies to help make those everyday challenges easier to handle.

Our products empower our patients with the cost-effective, quality tools and materials they need to improve their health and well-being.

Progressive Care with Compassion

About Us

At Valley County Health System our goal is to help make purchasing and renting medical supplies easy, convenient, and affordable.

Our Durable Medical Equipment Department is a full service supplier of home oxygen, medical supplies and durable medical equipment.

Our mission is to provide all of our patients with durable medical equipment and supplies with an emphasis on exceptional service. Our caring and professional staff will consult privately with patients to find the equipment and supplies that best suit their needs.

Our Services

Along with our products, we offer education and monitoring of services to ensure patient safety as well as an understanding of the proper use of equipment.

As our patient you will receive:

- Total Quality Guarantee: All equipment and supplies purchased from us come with a Full Manufacturer's Warranty
- Free Delivery: We will deliver and set up your equipment at no additional cost to you.
- Education: We provide instruction on proper use and care of our products and equipment.
- Monthly Oxygen Checks: We service your oxygen equipment on a routine monthly basis to ensure everything is clean and working properly.
- Round-the-Clock Customer Service: Emergency oxygen or equipment needs are just a phone call away.
- Documentation & Billing: We will obtain medical prescriptions and documentation as needed and bill Medicare, Medicaid or insurance on your behalf.

Products

We offer a full line of walkers, medical equipment, oxygen concentrators and supplies from such reputable manufacturers as Medline Industries, Respironics, Sammons Preston, Pride Mobility, D.J. Ortho, Cardinal Health and more.

Products Include:

- Mobility Aids
- Canes, walkers, crutches
- Lift chairs
- Dressing aids
- Bath Aids
- Shower/tub benches
- Elevated toilet seats
- Oxygen/Respiratory Supplies
- Concentrators
- Home oxygen fill system
- Portable O₂ concentrators for travel
- CPAP machines
- Nebulizers
- Emergency Response Unit
- Catheters
- Wound Care Products
- Ostomy Supplies
- Orthopedic Aids

Insurance

Medically necessary home medical equipment and services are often covered by Medicare, managed care and/or private insurance plans. Medicaid may also cover some medically necessary items. We will bill insurance on your behalf.

Where to purchase your medical supplies and equipment is an important decision, since it is a vital part of your overall health regimen. Don't take a chance; go with the reliable and trusted source who genuinely cares about you.

The Durable Medical Equipment Department at Valley County Health System looks forward to helping you improve your quality of life. Please let us know how we can help you, our valued patient.

Hours

The Durable Medical Equipment Department at Valley County Health System is available to you 24 hours a day. Our office hours are Monday through Friday, 8:00 am - 5:00 pm. After hours, please call (308)728-3211.
