Progressive Care with Compassion

Primary Care

Family medicine providers are qualified to treat most ailments and provide comprehensive healthcare for people of all ages — from newborns to seniors.

Our providers deliver a range of acute, chronic and preventative medical care services. In addition, they continue to advance their knowledge in areas including diabetes, geriatrics and shared obstetric care.

Valley County Health System offers clinics in four communities for your convenience – Ord, Burwell, Loup City and North Loup.

Specialty Clinic

You don't need to make a special trip when you have special healthcare needs. Doctors with specialized training will come to you.

Our Specialty Clinic includes physicians from the following specialties:

- Audiology
- Cardiology
- General Surgery
- Nephrology
- Obstetrics and Gynecology
- Oncology/Hematology
- Ophthalmology
- Orthopedics
- Prosthetics & Orthotics
- Podiatry
- Pulmonology
- Urology

If you need to see a specialist in one of these areas, call the Specialty Clinic to make an appointment. You do not need a referral.
